Dear Mrs. Raymond,

re - Sedlescombe Churchyard Account and your
letter of 20/11/02 to Miss M.H. Gosse.

1. We have not needed to purchase equipment this year.

2. Finances - 2007.

The cost of maintenance has been greater than resources. With approval from our P.C.C. bills have been paid from general fund acct. We hope to repay these from the Churchyard acct., but without help this will not be possible.

We have a willing, voluntary, group of men to do most of the grass cutting and tidying; but some grass cutting and all hedge cutting is paid for labour.

Bills paid to date - £537. of which £350 came from Church funds. Annual maintenance of mowess is yet to be done, and paid for.

Income. 2007.

At Building Soc. Jan 1 st	-	£60
a donation		100
Expected Dividends	-	100 - on 31/12/07.
		<u>£260</u>

Please will you present our plight to your Council requesting their help with a donation of about £300/- to enable continued maintenance of our Churchyard in it's present - and much admired - good order. We shall be very grateful for your Council's help.

Patricia Tudor.

Hon Treasurer to P.C.C.
