To:
Clerk to the Town/Parish Council

Dear Sir/Madam

Re-Research Project: Creative Opportunities for Rother Seniors (COFRS).

Rother Seniors' Forum is undertaking research in conjunction with Hastings and St. Leonards Seniors' Forum to identify creative opportunities for older people (aged 50+) who live in the Rother District. Information gathered will form the content of a booklet that will be launched this spring. The initiative aims to promote greater access to creative opportunities for local older people.

To enable us to get started we would like to hear from you of creative opportunities for older people taking place regularly in your town/parish. In particular we would be obliged if you can advise us of the:
Class/meeting; a contact name; Tel no; and email address.
We will then make direct contact with the organiser/teacher/leader of that activity.

Examples of activities include crafts – needlework, knitting, quilting, cooking, music, dancing, singing, choirs, drama, photography; creative writing, film-making, digital arts, painting, drawing, sculpture, ceramics, pottery.

Please return information that you have directly by email to Jan. at

Rye CVS Office. Email: info@ryecvs.org.uk.
Alternatively to address above.

Jan is available most mornings on (01797) 229750.

Thank you for your co-operation

Yours sincerely
R.H.Sunderland

Chair, Rother Seniors' Forum
