Dear Clerk

## CREATING AN NHS FIT FOR THE FUTURE

Further to David Hermon's letter on 21 March 2007, I write to confirm that Creating an NHS Fit for the Future will be included on the agenda for the Overview and Scrutiny Committee meeting which will be held at Robertsbridge Community College at 6.30pm on Monday 11 June 2007. Lisa Compton, Director of Public Engagement at the PCT, will be presenting to the Committee at this meeting.

We do however anticipate that there will be a lot of interest in the meeting and it would assist us if you wish to ask any question on behalf of your Parish if details could be submitted beforehand both of the question and who would wish to ask it on your behalf. I would be grateful if you could submit your questions to me by Friday 1 June 2007. This will hopefully make sure that questions are not asked more than once and also enable the Council to ensure the evening proceeds smoothly.

We will be discussing how the meeting will be organised with the new Chairman, following the elections and it will be for the Chairman to decide whether or not time would permit representatives from the Parishes or members of the public to ask any questions. However, I would hope that by submitting any questions you may have in advance will mean that, even if this does not prove possible, we can still endeavour to have those questions put to the PCT and answers obtained.

Finally, a Consultation Document for Eastbourne and Hastings has been produced by the Save the DGH and Hands off the Conquest campaign groups, "Option 5 – Saving Lives". Should you wish to view this document, it can be downloaded from <http://www.handsofftheconquest.org.uk/Option5SavingLives.pdf>.

Yours sincerely

Nikki Stubbs  
Member Support Officer
