29 November 2022

Dear Jackie

Re: Sedlescombe Parish Council
Internal Audit Year Ended 31 March 2023 – Interim Audit report

Executive summary

Following completion of our interim internal audit on 29 November 2022 we enclose our report for your kind attention and presentation to the council. The audit was conducted in accordance with current practices and guidelines and testing was risk based. Whilst we have not tested all transactions, our samples have where appropriate covered the entire year to date.

Our report is presented in the same order as the assertions on the internal auditor report within the published AGAR. The start of each section details the nature of the assertion to be verified. Testing requirements follow those detailed in the audit plan previously sent to the council, a copy of this is available on request. The report concludes with an opinion as to whether each assertion has been met or not at the interim audit. Where appropriate **recommendations for action are shown in bold text and are summarised in the table at the end of the report.**

Our sample testing did not uncover any errors or misstatements that require reporting to the external auditor at this time, nor did we identify any significant weaknesses in the internal controls such that public money would be put at risk.

It is clear the council takes governance, policies and procedures seriously and I am pleased to report that overall, the systems and procedures you have in place are fit for purpose and whilst my report may contain recommendations to change these are not indicative of any significant failings, but rather are pointers to improving upon an already well-ordered system.

It is therefore our opinion that the systems and internal procedures at Sedlescombe Parish Council are well established and followed.

Regulation

The Accounts and Audit Regulations 2015 require smaller authorities, each financial year, to conduct a review of the effectiveness of the system of internal control and prepare an annual governance statement in accordance with proper practices in relation to accounts. In addition to this, a smaller authority is required by Regulation 5(1) of the Accounts and Audit Regulations 2015 to “undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance.”

Internal auditing is an independent, objective assurance activity designed to improve an organisation’s operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes. The purpose of internal audit is to review and report to the authority on whether its systems of financial and other internal controls over its activities and operating procedures are effective.

Internal audit's function is to test and report to the authority on whether its specific system of internal control is adequate and working satisfactorily. The internal audit reports should therefore be made available to all Members to support and inform them when they considering the authority's approval of the annual governance statement.

Independence and competence

Your audit was conducted by Andy Beams of Mulberry & Co. We confirm we are independent from the management of the financial controls and procedures of the council and neither the internal auditor or the firm have any conflicts of interest with the audit client, nor do they provide any management or financial assistance to the client.

Your auditor has over 30 years' experience in the financial sector with the last 12 years specialising in local government.

Engagement Letter

An engagement letter was previously issued to the council covering the 2022/23 internal audit assignment. Copies of this document are available on request.

Planning and inherent risk assessment

The scope and plan of works including fee structure was issued to the council under separate cover. Copies of this document are available on request. In summary, our work will address each of the internal control objectives as stated on the Annual Internal Audit Report of the AGAR. As part of the inherent risk assessment, we have concluded that:

- There have been no reported instances of breaches of regulations in the past
- The client uses an industry approved financial reporting package
- The client regularly carries out reconciliations and documents these
- There is regular reporting to council
- The management team are experienced and informed
- Records are neatly maintained and referenced
- The client is aware of current regulations and practices
- There has been no instance of high staff turnover

It is our opinion that the inherent risk of error or misstatement is low, and the controls of the council can be relied upon and as such substantive testing of individual transactions is not required. Testing to be carried out will be "walk through testing" on sample data to encompass the period of the council year under review.

A. BOOKS OF ACCOUNT

Internal audit requirement

Appropriate accounting records have been properly kept throughout the financial year.

Audit findings

The interim audit was conducted on site with the Clerk, who also acts as the council's Responsible Financial Officer (RFO). The Clerk had prepared the information advised in advance of the visit, and I have the impression that accounting records are neatly maintained and easily accessible. Other information was reviewed through discussion with the Clerk and a review of the council website www.sedlescombe.org.uk

The council continues to use the Rialtas Business Solutions (RBS) for recording the day-to-day financial transactions of the council. This is an industry specific accounting package and I make no recommendation to change. The system is used regularly to record transactions and produce management information reports for review at council meetings.

B. FINANCIAL REGULATIONS, GOVERNANCE AND PAYMENTS

Internal audit requirement

This authority complied with its financial regulations, payments were supported by invoices, all expenditure was approved, and VAT was appropriately accounted for.

Audit findings

Check the publication and minuting of the prior year audited AGAR and notice of conclusion of audit.

The External Auditor's Report for 2021/22 was not qualified and has been published on the council website along with the Notice of Conclusion of Audit, and the conclusion of the audit was reported to the council at the meeting held in October 2022.

Confirm by sample testing that councillors sign statutory office forms.

I confirmed by sample testing that councillors sign "Acceptance of Office" forms. **The council website is under development at present, and I was unable to locate the Register of Members Interest's as the links to the Rother District Council website appear to be broken.**

Confirm that the council is compliant with the relevant transparency code.

As the council's income and expenditure exceeds £25,000, it is not a statutory requirement to follow the requirements of the Local Government Transparency Code, although it is recommended best practice to do so. I recommend reviewing the way the information is published on the website of Upper Beeding Parish Council as a best practice example via this link www.upperbeeding-pc.gov.uk/finance-transparency

Confirm that the council is compliant with GDPR.

The council is fully aware of GDPR and has undergone training. It was noted the council has established common email addresses for all councillors. This is recommended because it gives a natural segregation between work and personal lives, making it clear beyond doubt in what capacity a councillor is acting. In addition to this it gives control to the council, adds a degree of professionalism and in the event of a FOI request limits access to personal computers.

As the council website is under development, **I was unable to confirm a Privacy Policy or Website Accessibility Statement and further checks on these items will be conducted at the final audit.**

Confirm that the council meets regularly throughout the year.

In addition to full council, the council has a committee structure with regular meetings during the year.

Check that agendas for meetings are published giving 3 clear days' notice.

The Clerk was able to demonstrate that at least 3 clear days' notice is given on agendas. Whilst we have not tested every single committee and council meeting there was no evidence of non-compliance in giving three clear days' notice of the meeting.

Check the draft minutes of the last meeting(s) are on the council's website

Draft minutes are routinely uploaded to the council website.

Confirm that the Parish Council's Standing Orders have been reviewed within the last 12 months.

The Clerk informed me that the council's Standing Orders are based on the current NALC model and were most recently reviewed and adopted by council in May 2022. **Due to the development of the website, I was unable to confirm these are published and will recheck at the final audit.**

Confirm that the Parish Council has adopted and recently reviewed Financial Regulations.

The Clerk informed me that the council's Financial Regulations are based on the current NALC model and were last reviewed and adopted by council in May 2022. **Due to the development of the website, I was unable to confirm these are published and will recheck at the final audit.**

Check that the council's Financial Regulations are being routinely followed.

Due to the development of the website, a review of the Financial Regulations will be carried out at the final audit.

Confirm all section 137 expenditure meets the guidelines and does not exceed the annual per elector limit of £8.82 per elector.

The council has section 137 expenditure for the year, which is comfortably within the allowable limit.

Check receipt of VAT refund matches last submitted VAT return.

The council submits its VAT return on a quarterly basis. I reviewed the submission for the period ending 30 June which showed a refund of £948.11. I was able to confirm receipt of this amount to the council's bank account on 13 September 2022.

Confirm that checks of the accounts are made by a councillor.

The system noted above details internal review takes place and I am under no doubt that council properly approves expenditure.

C. RISK MANAGEMENT AND INSURANCE

Internal audit requirement

This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.

Audit findings

The council has a risk management policy and risk assessment process in place. The assessment includes a risk register which identifies particular risks, assesses an overall risk level, lists the mitigation measures in place and details the review process and is entirely suitable for a council of this size.

I confirmed that the council has a valid insurance policy in place with BHIB which expires on 24 October 2023. The policy includes Public Liability and Employers Liability cover of £10 million each and a Fidelity Guarantee level of £250,000. These levels appear appropriate for a council of this size.

D. BUDGET, PRECEPT AND RESERVES

Internal audit requirement

The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.

Audit findings

The council set a precept of £58,613 for 2022/23. With a tax base of 670.2, this equates to a band D equivalent of £87.46 (compared to the average in England of £74.81).

The Clerk confirmed that the 2023/24 budget setting process is underway. The Finance Committee has made a recommendation which will be considered by council at the meeting on 20 December 2022.

The Clerk presents the budget performance information to each Finance Committee meeting and subsequently to council meetings for review. Councillors are provided with sufficient information to make informed decisions.

The council holds circa £113,000 in a range of clearly annotated earmarked reserves. I tested the purpose of these with the Clerk and am content that they are all for legitimate future projects of the council.

The council also holds £64,900 in the general reserve, although this figure will be adjusted by the year-end due to expenditure from the earmarked reserves.

Council is reminded that the Joint Panel on Accountability and Governance (JPAG) Practitioner's guide states '*the generally accepted recommendation with regard to the appropriate minimum level of a smaller authority's general reserve is that this should be maintained at between three and twelve months of net revenue expenditure*' (para 5.33).

E. INCOME

Internal audit requirement

Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for.

Audit findings

Apart from the precept, the council receives income from advertising in the annual directory, hire of the football pavilion, grants, bank interest and VAT refunds.

F. PETTY CASH

Internal audit requirement

Petty cash payments were properly supported by receipts, all petty cash expenditure was approved, and VAT appropriately accounted for.

Audit findings

The council has no petty cash.

G. PAYROLL

Internal audit requirement

Salaries to employees and allowances to members were paid in accordance with this authority's approvals, and PAYE and NI requirements were properly applied.

Audit findings

The Clerk is the only employee and has a signed contract of employment, based on the NALC template. Her salary is aligned to the NJC scale point range.

The council uses a third party for processing payroll, who calculates the PAYE and pension deductions. I reviewed the most recent payslip and was able to confirm that payroll deductions appear correct.

I reminded the Clerk that only salary, HMRC and pension payments should be included in box 4 on the Annual Governance and Accountability Return (AGAR) and any other staff costs should be recorded in box 6.

There are no councillor allowances.

H. ASSETS AND INVESTMENTS

Internal audit requirement

Asset and investments registers were complete and accurate and properly maintained.

Audit findings

The fixed asset register is under development and a review will be carried out at the final audit to ensure it is up to date and matches the AGAR information will be completed at the year-end audit.

The council has a PWLB loan which were taken out for the sports pavilion. Confirmation of the repayments and year-end balances will be checked at the year-end audit.

The council has no long-term investments.

I. BANK AND CASH

Internal audit requirement

Periodic and year-end bank account reconciliations were properly carried out.

Audit findings

Bank reconciliations are completed monthly and presented to council for review. I reviewed the reconciliations presented for the interim audit and was able to confirm the balances to the bank statements and found no errors.

I noted that the reconciliation and bank statement have been signed in accordance with the Financial Regulations.

Balances held are within the £85,000 protection limit offered by the Financial Services Compensation Scheme (FSCS).

J. YEAR END ACCOUNTS

Internal audit requirement

Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded.

Audit findings

Testing to be conducted at final audit.

K. LIMITED ASSURANCE REVIEW

Internal audit requirement

IF the authority certified itself as exempt from a limited assurance review in 2020/21, it met the exemption criteria and correctly declared itself exempt. (If the authority had a limited assurance review of its 2020/21 AGAR tick "not covered")

Audit findings

Testing to be conducted at final audit.

L: TRANSPARENCY**Internal audit requirement**

If the authority has an annual turnover not exceeding £25,000, it publishes information on a website / webpage up to date at the time of the internal audit in accordance with the Transparency Code for Smaller Authorities

Audit findings

Testing to be conducted at final audit.

M: EXERCISE OF PUBLIC RIGHTS - INSPECTION OF ACCOUNTS**Internal audit requirement**

The authority has demonstrated that during summer 2022 it correctly provided for the exercise of public rights as required by the Accounts and Audit Regulations.

Audit findings

Inspection – key dates	2021/22 Actual
Date AGAR signed by council	11 May 2022
Date inspection notice issued	17 June 2022
Inspection period begins	20 June 2022
Inspection period ends	29 July 2022
Correct length (30 working days)	Yes
Common period included (first 10 working days of July)	Yes

I am satisfied the requirements of this control objective were met for 2021/22, and assertion 4 on the Annual Governance Statement can therefore be signed off by the council.

N: PUBLICATION REQUIREMENTS**Internal audit requirement**

The authority has complied with the publication requirements for 2021/22. Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website / webpage.

Before 1 July 2022 authorities must publish:

- *Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited*
- *Section 1 - Annual Governance Statement 2021/22, approved and signed, page 4*
- *Section 2 - Accounting Statements 2021/22, approved and signed, page 5*

Not later than 30 September 2022 authorities must publish:

- *Notice of conclusion of audit*
- *Section 3 - External Auditor Report and Certificate*
- *Sections 1 and 2 of AGAR including any amendments as a result of the limited assurance review.*

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

Audit findings

I was able to confirm that the Notice of Public Rights is published on the council website along with the Notice of Conclusion of Audit and External Auditor Report and Certificate and the publication requirements for 2021/22 have been met.

O. TRUSTEESHIP

Internal audit requirement

Trust funds (including charitable) – The council met its responsibilities as a trustee.

Audit findings

The council is the trustee of the Public Playing Field and Recreation Ground (charity number 305305). A review of the Charity Commission website shows that the council is correctly registered as the trustee and all reporting is up to date.

Achievement of control assertions at interim audit date

Based on the tests conducted during the interim audit, our conclusions on the achievement of the internal control objectives are summarised in the table below. A further review and update of this opinion will be conducted at the final audit.
